Opinion 8

Liz Rhodes discusses the renewed denigration of screen culture for young children

Managing behaviour 10-11

A new year, a new class: for the teacher, more of the same. For the pupil, a transition both scary and exhilarating – and more important than we suppose

Left handedness 12-13

Sara Louis dispels the myths and discusses the difficulties involved with being left-handed

Special report 16-17

Just when we thought the 'gender issue' had been sussed in schools, it may be time to go back and think again ... are we getting this wrong from key stage 1 on?

Using parachutes 18-19

Have you ever thought about having a parachuting day with children? Christine Kenworthy outlines its benefits

Music for non-specialists 20-21

Being asked to teach music when you have no musical background of your own can be somewhat off putting. Where do you start?

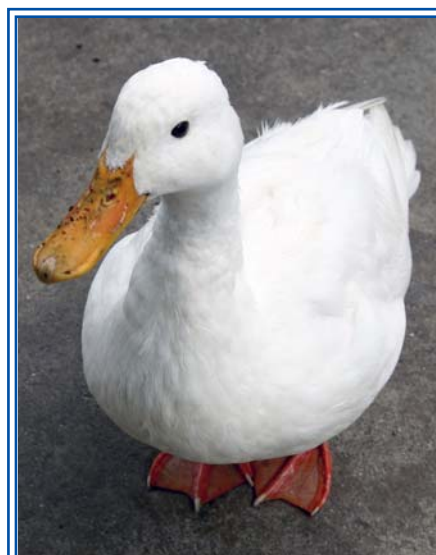

Using displays 23

Good displays are a valuable asset. Psychologists say our environment affects our mood and learning processes, so displays should engage and stimulate children
